

FARMFEST SCHEDULE
AUGUST 7th, 8th AND 9th, 2018
GILFILLAN ESTATE, NEAR MORGAN

Hello everyone. It is Farmfest time again and we are getting ready for a busy three days! This year's theme is titled: "CREP and/or Soil Health".

Our booth has been moved so we are now co-located with BWSR, **Booth #4504**. We are looking for some help from the districts. This year we would like one district person, per shift. This person should be the staff person that is working with CREP and/or Soil Health.

We are having three (3) - 3 hour time slots per day. We have the following times available and will fill on a first come first serve basis. Please email kari.clouse@mandistrict.org to sign up for a space as soon as possible. I will send an email back to confirm your time slot. I would like the schedule done prior to Friday, July 20, 2018 so we have ample time to send out the final details. The schedule will be on our website at www.redwoodswcd.org, on the Education tab then click on the Farmfest Link.

There will also be 8 BWSR staff helping with the booth this year for all the shifts, therefore we are asking for only 1 district person per shift. Instructions will be provided for setup and taking down the booth each day.

Thank you in advance for all your help.
